

Alternative Perspectives
Schedule Fall 2016

Please note that the schedule and requirements sometimes change as the semester progresses. The “official” requirements are on the intro page each week on Canvas (note: Assignments are in Blackboard). Class is held from 5:30 to 8:30 pm on Tuesday, beginning August 25 in Room 229, Cameron building (corner of Wheeler and Cullen on the UH campus). All are encouraged to attend class in person or to call in using the Adobe Connect link on the homepage.

The first column contains the date for class and the second contains the substantive topic. The readings are provided in Canvas (they are available from our library). The week officially begins the day of class, but the readings should be read before class. The fourth column contains what will be submitted each. Since the week begins with the class on the date in the first column, the submissions are due at midnight of the day before the next class. (D) is a discussion posting, and (A) is an assignment posting.
